 1D barcode  Windows Mobile  Bluetooth  Wifi  IrDA  USB  GPRS  EDGE  3G  3.5G  AGPS  IP64

Opticon H21 1D Qwerty Full keypad, a consumer-grade design, is a mobile terminal with Windows Mobile 6.5, a barcode reader, color camera and 3G communication. The Opticon H21 withstands drops up to 1.5 meter onto concrete and is sealed up to IP 64 standards.

Product Features

Apart from Windows Mobile 6.5

The Opticon H21 is standard equipped with assisted GPS, 3G and 3.5G communication, Bluetooth and WiFi. The barcode reader provides the versatility to read all standard 1D barcode symbologies.

New generation

This new generation device has an integrated 3.2 megapixel color camera with auto-focus and flash light. Use the 2.8" touch screen for signature writing and capture all information on the Opticon H21. The user accessible slot enables the user to expand the memory by microSD and HC.

In situations where connectivity

Communication and ease-of-use are important, this smart phone is the ideal tool. The Opticon H21 weighs only 235 gr. and is ergonomically shaped. The integrated 3060 mAh battery provides long operation time.

The Opticon H21 1D

Is available with a numeric or qwerty keypad.
