The information below is for reference purposes only.

Opticon H21 2D Qwerty Full keypad, a consumer-grade design, is a mobile terminal with Windows Mobile 6.5, a 2D CMOS imager, color camera and 3G communication. The Opticon H21 withstands drops up to 1.5 meter onto concrete and is sealed up to IP 64 standards.

---

## Product Features

### Apart from Windows Mobile 6.5

The Opticon H21 2D is standard equipped with assisted GPS, 3G and 3.5G communication, Bluetooth and WiFi. The 2D imager provides the versatility to read all standard 1D and 2D barcode symbologies.

### New generation

This new generation Opticon H21 has an integrated 3.2 megapixel color camera with auto-focus and flash light. Use the 2.8" touch screen for signature writing and capture all information on the Opticon H21 2D. The user accessible slot enables the user to expand the memory by microSD and HC.

### In situations where connectivity

Communication and ease-of-use are important, this smart phone is the ideal tool. The Opticon H21 weighs only 235 gr. and is ergonomically shaped. The integrated 3060 mAh battery provides long operation time.

### The Opticon H21 2D

Is available with a numeric or qwerty keypad.
